

GAF Warranties

Learn about
great protection
for your roof

We protect what matters most™

It's security, measured in decades.

When you install a qualifying GAF shingle, the basic *GAF Shingle & Accessory Limited Warranty* provides a Lifetime limited* warranty term for the shingles. And when you install a qualifying GAF shingle with at least 3 qualifying accessory products, you are automatically covered by the *GAF Roofing System Limited* Warranty*, which also provides Lifetime* coverage for your qualifying accessory products! "Lifetime" means as long as the original owner(s) [or the second owner(s) in certain circumstances] owns the single-family detached residence where the shingles and qualifying accessories are installed.

The Lifetime* warranty term also comes with 10 years of 100% coverage, during which GAF will provide any replacement GAF products necessary to repair your roof due to a manufacturing defect. GAF will also pay the reasonable cost to install them.* This warranty is also transferable, once, to the next homeowner, for free.

With the basic *GAF Roofing System Limited* Warranty*, after ten years, replacement materials and installation labor are pro-rated.

Protect your home with our **System Plus Limited Warranty!**

The **System Plus Limited Warranty** increases the 100% coverage period against manufacturing defects from 10 years to 50 years. It also covers tear-off costs.

| Warranty | Features | 100% Coverage |
|--|---|------------------------------|
| GAF Roofing System Limited Warranty | Replacement Materials + Installation Labor | 10 years 100% Coverage |
|  System Plus Limited Warranty | Replacement Materials + Installation Labor + Cost to tear off (If necessary) | 50 years 100% Coverage |

*See GAF Shingle & Accessory Limited Warranty and GAF Roofing System Limited Warranty for complete coverage and restrictions. See gaf.com/LRS for a list of qualifying shingles and accessory products.

It's a system, built to protect

Leak Barrier
Helps prevent leaks caused by wind-driven rain and ice dams

Roof Deck Protection
Helps shield the roof deck from moisture infiltration

Starter Strip Shingles
Helps guard against shingle blow-offs

Lifetime Shingles*
Beautify and protect for years to come

Cobra® Attic Ventilation
Helps reduce attic moisture and heat

Ridge Cap Shingles
The finishing touch that helps defend against leaks at the hips and ridges

Visit gaf.com/Lifetime

The GAF Lifetime Roofing System has earned the prestigious Good Housekeeping Seal (applicable in U.S. only).

* Lifetime refers to the length of warranty coverage provided and means as long as the original individual owner(s) of a single-family detached residence [or eligible second owner(s)] owns the property where the qualifying GAF products are installed. For other owners/structures, Lifetime coverage is not applicable. Lifetime coverage on shingles requires use of GAF Lifetime shingles only. See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions. Lifetime coverage on shingles and accessories requires use of any GAF Lifetime Shingle and any 3 qualifying GAF accessories. See *GAF Roofing System Limited Warranty* for complete coverage and restrictions. Visit gaf.com/LRS for qualifying GAF products.

To be eligible for the System Plus Limited Warranty, you **MUST** fulfill these requirements:

1. Your roof must be installed by an eligible GAF factory-certified contractor.*
2. If a new nail base insulated deck system is being installed, you must install GAF Cornell Ventilated Nail Base Roof Insulation (covered by the *ThermaCal® Nail Base Roof Insulation Panels Limited Warranty*).
3. You must install qualifying GAF Shingles *and one item from at least three* of the following accessory product categories (visit gaf.com/LRS for eligible products):

(a) **GAF Roof Deck Protection**

(b) **GAF Leak Barrier** – Must be installed in valleys and around all penetrations. In areas prone to ice damming, an eligible Leak Barrier product is strongly recommended at all eaves to at least 24" (60.96 cm) inside of the warm wall.

(c) **GAF Starter Strip Shingles (only those with factory-applied adhesive)** – Must be installed at the eaves. **Note:** Your GAF LayerLock-labeled Shingles will be covered up to the maximum wind speed **ONLY** if installed using **4 nails** per shingle **and** you have GAF Starter Strip Products installed at the eaves **and** rakes. All other GAF Shingles require use of **6 nails** per shingle **and** GAF Starter Strip Products installed at the eaves **and** rakes.

(d) **GAF Attic Ventilation Product** – Installed in a properly balanced attic ventilation system consisting of both intake and exhaust ventilation.

Note: Although Master Flow® Attic Exhaust Vents count as an eligible accessory product in the GAF Attic Ventilation Category, they are covered by either the *Master Flow® Powered Ventilation Products Limited Warranty* or *Master Flow® Ventilation Products Limited Warranty*, depending on the product.

(e) **GAF Ridge Cap Shingles** – **Note:** If cut-up GAF Strip Shingles are used instead of one of the eligible ridge cap shingles (visit gaf.com/LRS for eligible products), the warranty term and 100% coverage period for the cut-up strip shingles is the same as it would be if that shingle were used in the field of the roof. (For example, if Royal Sovereign® Shingles are cut up and used as your ridge cap, then the warranty term for those cut-up Royal Sovereign® Shingles is 25 years.) In addition, on roofs where Royal Sovereign® or Marquis WeatherMax® Shingles are installed, you may use cut-up Royal Sovereign® or Marquis WeatherMax® Shingles as the ridge cap, and they will qualify as one of the required accessories.

Note: To improve the finished look of the roof, the use of GAF ShingleMatch™ Roof Accessory Point is highly recommended (GAF Roof Accessory Point is covered by the *ShingleMatch™ Roof Accessory Point Limited Warranty* and does NOT count toward the required number of accessories for the *System Plus Limited Warranty*).

4. **Registration Options** – In addition to the requirements listed above, **your Contractor must register and pay for your warranty within 45 days after installation. The warranty can be registered online at the GAF Contractor Zone (visit ccz.gaf.com) or at gaf.com/warranty. If your Contractor has not registered your warranty within 45 days after installation, GAF reserves the right not to issue your *System Plus Limited Warranty*.**

Note: Warranty coverage available only for GAF Products. There is no coverage for non-GAF materials used in the construction of your roofing system
